## STANLEY JOHNSON

*Pennypack Gardens*

CHELTENHAM, PA.

# Foreword

**QUALITY:**—It is the aim of Pennypack Gardens to introduce dahlias that will grow for you so as to brighten your garden or produce show winners. While much emphasis is placed on creative work of developing superior strains of new dahlias, most responsibility is given to the maintaining of reasonably disease free foundation stock. Field planting at farm—Dresher, Pa. This land once produced the famous Pennsylvania white potato.

**REPUTATION:**—Show Record—Pennypack's new dahlias were big winners in 1956 so ar high on the Honor Roll. **CARRIE MAC AVOY** won 5 American Home Achievement Medals and 4 A. D. S. Gold Medal Sweepstakes Awards. **GINNY JOHNSTON**, the big surprise of the show season, won the American Home Achievement Medal, also the A. D. S. Gold Medal Sweepstakes Award at the American Dahlia Society's Show, New York City. A seedling was certified at two official A. D. S. Trial Gardens. **NED SEYMOUR** continues to win as Grand Champion and for the largest bloom. In fact, winning as shows is a habit for Pennypack dahlias.

**PRICE:**—All Pennypack dahlias are priced right. Comparison shows my prices most reasonable. Policy—high quality, low price.

**RESULTS:**—You can expect. Winnings for 1956 are surely impressive, but the final success is your satisfaction. A program involving testing both in the field and exhibition gardens has been carefully conducted. Any dahlia failing to grow properly under ordinary field conlitions, does not bear the Pennypack label.

## My 1957 Intoductions

### **CARRIE Mac AVOY**

'A' — S. C. Light Blend

**Type**—S. C.—True to form.

**Size**—A—11½" x 6½".

**Color**—Beautiful coloring of gold blended with rich apricot.

**Stem**—Strong. Holds flower well above the foliage.

**Fleuriness**—Each plant produces two crops of show specimens.

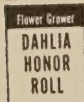

**Growth**—Healthy. Heavy, small leaf foliage.

**Awards**—Won 5 American Home Achievement Medals and 4 A. D. S. Seedling Sweepstakes Awards, finally the big award of the season, Gold Medal of the American Dahlia Society. First in open competition.

**Merit**—A winner in its class. A real good buy.

**Root**—\$15.00

**Plant**—\$5.00

# All America Glads

AAGS

## ALL AMERICA SELECTIONS 1956

**APPLEBLOSSOM, 460** (Plant Patent No. 1517) (Baerman-Fischer) At last, a strong, vigorous grower of the Corona type. Snowy white with a touch of cream in the throat-edged with a rose picotee. Opens 8-10 five-inch florets of heavy substance on a 5 ft. (or more) slender willowy stem. Corona has always been an exquisite flower but could not resist disease, so originators have been working for years to produce a glad of its beauty that was a healthy grower.

**ROYAL STEWART, 450**, (Plant Patent No. 1339) (Pommert) An early mid-season light red. The delightfully ruffled florets are five inches in diameter and of good substance. The long flower heads frequently carry up to 12 florets open at one time. Growth is vigorous and healthy, with the total height running about five feet. A truly remarkable new gladiolus that has been widely acclaimed for its consistently fine performance.

## ALL AMERICA SELECTIONS 1957

**CARIBBEAN, 376**, (Patent Applied For) (Baerman-Fischer) Unusual combination of rare blue-violet petals handsomely embellished by a rich, deep violet throat and a small cream spear. Opens from 9 to 11 florets at one time, double-row placement. Every flower lover will want this striking novelty in his garden. A sure-fire winner in its class at flower shows. It has the quality of extreme vigor—almost a rarity among the so-called blue glads.

**MAYTIME, 442**, (Patent Applied For) (Baerman-Fischer) The gracefully ruffled deep, pure pink florets with their contrasty large white throats bring back the memory of the freshness of May-blooming flowers. Readily opens 8-10 florets on spikes of five and one-half feet tall. MAYTIME has a wonderful plant health and makes fine, plump bulbs. An ideal flower for either cutting or exhibition and a gem for the home garden.

These varieties have been tested in 30 or more trial grounds and have been chosen as the best by Trial Garden Judges. These are the first All-American winners and others will be selected every year. These glads are being patented and the RIGHT TO PRODUCE THE ALL-AMERICA VARIETIES FOR SALE PURPOSES OR TO SELL CUT FLOWERS IS RESERVED.
